

Additional ways to support

What if Good Shepherd Manor earned a penny every time you searched the Internet? Or how about if a percentage of every purchase you made online went to support the men of Good Shepherd Manor? Well, now it can!

GoodSearch.com is a new Yahoo-powered search engine that donates half its advertising revenue, about a penny per search, to the charities its users designate. Use it just as you would any search engine, get quality search results from Yahoo, and watch the donations add up!

GoodShop.com is a new online shopping mall which donates up to 37 percent of each purchase to your favorite cause! Hundreds of great stores including Amazon, Target, Gap, Best Buy, eBay, Macy's and Barnes & Noble have teamed up with GoodShop and every time you place an order, you'll be supporting your favorite cause...Good Shepherd Manor!

Just go to www.goodsearch.com and be sure to enter Good Shepherd Manor (make sure it is in Momence, IL) as the charity you want to support. You can add a Good Search icon to your tabs to make it easier next time. Be sure to pass the word to your family and friends!

A penny doesn't sound like much money, but think of how many searches your family does on the internet on a daily basis! It does add up! Thank you!
