Dear Families and Friends,

I hope and pray that each and every one of you are enjoying a wonderful holiday season with family and friends. I consider myself fortunate to have an extended family which includes the 122 men who live at Good Shepherd Manor and their families. Together we are celebrating the holidays with gatherings, plays, concerts, song, food, and camaraderie.

Throughout the year we remember the men and friends who have passed from this life including John Wickey, Harold Sikkema, and Board member Bob O'Loughlin; our prayers are with their family members. We also welcome new residents – Jeff Harris, Charles Hornbeck, John Crozier, David Whaley; new Day Program clients, David Tanner, and Patrick Luth; and new Board members Helen Bailitz and Carole Cusack. Welcome!

Finances at the Manor continue to be a challenge due in large part to the financial crisis of the State. We have implemented many processes to control expenses, and we are developing strategies to improve revenue. Our financial goals for this next year include: improving the success of our fund raising efforts, increasing our average daily census, and increasing the grants we request and receive. The Shepherds Endowment Society continues to grow and will begin making disbursements to the Manor in July 2011. The Annual Report enclosed with this Messenger provides additional information.

Despite the financial challenges, I can say with confidence that we continue to provide high quality care to the men at the Manor. This is based on our program goal results and satisfaction survey results. I am glad to say that our vocational program is showing better success than expected. The men do enjoy receiving a paycheck for the work they completed.

I would like to thank our Board of Directors and the various committee members for their continued commitment to the Mission of Good Shepherd Manor. I would like to thank our many benefactors who have supported the Manor throughout the year. I would also like to thank the families who have placed their trust in Good Shepherd Manor to care for their loved ones. On behalf of the men, the staff, and the Brothers, I wish you all a happy and prosperous 2011.

Bruce Fitzpatrick  
President

## Welcome to New Board Members

Foundation Board Member  
Helen Bailitz

We would like to welcome a new member to the Good Shepherd Manor Foundation Board. Below, in her own words, is a glimpse into the gifts and talents Helen brings to this new role.

“Good Shepherd Manor has always been a fixture in my life. My father, Ron, has been active with the Manor dating back to before I was even born. Moreover, my mother Helen and my departed grandparents, Joe and Helen Meegan also were committed to promoting and bettering the dignity and welfare of children and adults who are developmentally disabled. (Both my mother and my grandmother taught the deaf.) I also had the incredible opportunity to experience first hand the generosity and kindness of Helen and Bill McAllister, who were not only dear friends of my family but of the Manor as well.

I am truly honored to serve on the Foundation board and to help safeguard and assist an organization so committed to servicing the needs and improving the lives of men with developmental disabilities. Participating in my first GSM meeting on November 5th, I was filled with a sense of pride, and was inspired to see the intense commitment of my fellow board members, trustees, and GSM staff to the success of the Manor. I look forward to actively participating in GSM events and to witnessing firsthand the success of GSM in increasing the happiness, physical well-being, and exposure to all of life wonders of our community's members.”

Helen Bailitz is a PFS Partner Communications Officer within Northern Trust's Personal Financial Services' Global Services. Helen plays a dual role, working with Northern Trust's Chief Fiduciary Officer in building out and enhancing partner communication and events of Northern Trust's Trusts and Estates practice as well as working with other practice and segment leaders to standardize, manage and optimize their respective communication strategies.

Helen received both a B.A. and a M.A. degree in History with highest honors from the Northern Illinois University before completing her doctoral coursework in History at Duke University in Durham, North Carolina.

Helen is the proud aunt of eight nieces and seven nephews with number 16 to arrive in February. She is the youngest of six children of Ron and Helen Bailitz and currently resides in Arlington Heights.

GSM Board Member  
Carole Cusack

Joining the Good Shepherd Manor Board of Trustees is Carole Cusack who resides in Chicago and is one of four sisters to GSM resident, Michael Cusack. She is currently finishing graduate studies and will obtain her MBA (December 2010) in Sustainable Business Practices from Presidio Graduate School in San Francisco, CA. Prior to that, Carole worked for the City of Chicago in the Committee on Finance Department after leaving Merrill Lynch where she worked for twenty years. Carole is a member of the sustainability industry related groups Net Impact and Foresight Design Initiatives and is an active volunteer with Special Olympics Chicago.

Carole says, “I am truly excited to be part of this great program. Through my brother’s participation, I have witnessed the extraordinary attention and care given to the residents by the staff and the strong bonds of trust and friendship that have been created. I always hoped that I could devote some of my time and service to this wonderful organization.”

## A Tribute to Long-Time Friend and Board Member Bob O'Loughlin

by Bruce Fitzpatrick

L to R: Judy, Chauntelle and Bob O'Loughlin at the GSM Lake Michigan Cruise

I consider myself lucky to have known Daniel "Bob" O'Loughlin for nearly sixteen years in many capacities. I have seen him as a parent to his adult children, Dan (a resident of the Manor) and Chauntelle (a music teacher in California); he was a very proud parent. I observed Bob interact with his wife, Judy and heard many stories of their life and travels; he was a husband still in love with his wife.

Bob was also a strong advocate for people with disabilities. At his request, I recently spoke about Good Shepherd Manor at a meeting of Advocates United. Bob was the Secretary of Good Shepherd Manor Group Homes Board and before that a Trustee with the Manor Board. Bob, along with Judy, served on the Manor's Human Rights and Quality Assurance Committee

as a parent and community member. Bob represented the Board at many of the Manor's Employee Appreciation parties where he would share stories and jokes. Bob was a Rotarian where truth, fairness, goodwill, and concern for all are the hallmarks; I do not believe a more sincere Rotarian could be found. Despite his trim stature, Bob loved to dine. Many of us at the Manor shared many meals with Bob. Actually, I believe he loved the companionship of everyone around him.

I feel blest that Brother Alphonsus and I had the honor of bringing Danny to visit his dad at home during Bob's final days. Bob grinned brightly when Danny entered the room, he smiled and they squeezed each other's hand. I believe that no greater good can be done in this life, than to help another person pass from this life with comfort, respect, dignity, and love. Bob had such a passing.

Daniel "Bob" O'Loughlin will be remembered at the Manor as a person guided by love and respect for all people. Bob had a life worth celebrating and he will be missed. The prayers of everyone at Good Shepherd Manor are extended to Judy, Chauntelle, Danny, and their extended family.

## Honoring Ted Neswold - 2010 Amicus Certus Recipient

If you ask any of our long-standing Board members how they originally started serving as a volunteer for Good Shepherd Manor, they will say they were asked to help by someone with whom they had a relationship. These relationships have had a profound ripple effect on the Manor for all of its 40 years.

William McAllister, whose brother-in-law was a resident, asked Ron Bailitz to serve and Ron is now the President of the Foundation Board. Ron, in turn, asked our Amicus Certus recipient to help the Manor in his field of expertise in the early 1980's. Our honoree, Ted Neswold, agreed and has been the Manor's insurance advocate ever since.

In 1997 Ted was asked to serve on the Foundation Board of Directors. He again said yes. He also said yes to co-chairing the White Eagle Golf Outing along with Jim Sullivan, Pat Fitzgerald, Pat Fitzgerald III, and Ron Bailitz. That successful event was held for 26 years, ending just last year, netting more than a million dollars over the years.

Ted Neswold was born and raised in Des Moines, Iowa and attended an all-boys Jesuit high school, Dowling, graduating in 1960. He went on to Drake University and graduated in 1966 with a liberal arts degree majoring in Biology and Psychology. In the midst of college he married Mary Swift and they have been married now for 46 years. They have been blessed with four children, Jeff, Liz, Jim, and Amy. The blessings have continued with five grandchildren, Jason, Jim, Jenna, Alexandra, and Sophie.

Ted's favorite leisure activities include watching his grandsons in their sports and spending time with his three young granddaughters, gardening, and not surprisingly, golf! Ted and Mary head each winter to their condo in Bonita Springs, Florida. In 1980, after working for several other insurance companies, Ted started S. T. Neswold and Associates, Inc. and still serves as President. Neswold and Associates handle all types of insurance.

Ted was also honored as the "Lord of the Manor" in 1993. He states that he has "enjoyed working with all staff members and also as a member of the Foundation Board." We thank you, Ted, for your years of volunteer service to Good Shepherd Manor. It was a pleasure to honor him as the 2010 Amicus Certus award winner.

## Residential Services

by Deb Blake, Director

It has been quite a busy time for residential these past months. We have welcomed many new residents to Good Shepherd Manor, as well as have been spending quite a bit of time teaching and training every staff member in "CPI", Crisis Prevention Intervention. The philosophy of this program is to provide the best Care, Welfare, Safety, and Security for all individuals and staff at Good Shepherd Manor. The hope of this training is that staff will gain the skills and confidence necessary to handle crisis situations with minimal anxiety and maximum security. The training will help staff to intervene more safely, and most importantly, it will not damage the relationship we work so hard to establish with the residents at Good Shepherd Manor.

We have had numerous activities over the past few months as well. We have had our usual monthly activities - Movie and Popcorn Night, Battery Bingo, open gym as well as some very special occasions such as GSM Homecoming, Eldon's 80<sup>th</sup> Birthday party, Cupcake Social, Pumpkin Craft, Sports Festival for Special Olympics in Decatur, Bowling Sectional in Peoria, Halloween Bingo & Games, Packet of Fun Puzzles & Games, and a Thanksgiving craft. (Join us on Facebook to see pictures of some of these events!)

The men always look forward to all of your phone calls and/or visits to Good Shepherd Manor. If you ever have questions regarding your resident at GSM, please feel free to call his QSP (Qualified Service Professional) at anytime, or myself at ext. 270.

## GIVING AT YEAR-END

Economic conditions in recent months have made it more important than ever to make careful choices about how to spend, save, and give our resources. That is why we especially appreciate those of you who have chosen to continue to support Good Shepherd Manor.

Listed here are a number of ideas for making gifts in ways that feature tax savings to you and other special benefits.

### Deciding what to give

- **Cash** Charitable gifts are most often made in the forms of cash, checks, and electronic transfers. When you itemize your tax deductions, gifts of cash may be used to eliminate federal income tax on up to half of your adjusted gross income (AGI). You may enjoy state income tax savings as well.
- **Securities** Giving securities (stocks, bonds, or mutual funds shares) that are worth more than they cost can bring additional tax savings. Such gifts are generally deductible from income tax at their full current value if they have been owned for longer than one year, and they can be used to offset tax on up to 30% of your AGI.

As an additional benefit, no tax is owed on capital gain that could be due in the event of a sale.

If you have investments that are worth *less* than they cost, consider selling them and using the cash proceeds to make a charitable gift. This creates a loss you may be able to deduct from other taxable income as well as a deduction for the amount of the cash contribution. The combined deductions for the gift and the loss may total more than the current value of the investment.

Whether you make a gift in the form of cash or other property, any unused deductions may reduce your taxes in as many as five future years.

- **Give from Retirement Plans** If you are over 70 1/2 and are required to take withdrawals from an IRA or other qualified retirement account, you may want to consider making charitable gifts using all or a portion of your mandatory withdrawal amount. Giving in this way may result in little or no tax impact when you report the amount withdrawn along with an offsetting charitable deduction.

Proposed tax legislation would provide additional benefits for gifts made from traditional and Roth IRAs. Check with your financial advisors for the latest opportunities that apply to your situation.

- **Gifts of Life Insurance** If you own life insurance policies that are no longer needed for their original purpose, the cash value of such policies may be a source from which to make gifts that can provide welcome tax savings today and in the future.
- **A Gift through your Will or Living Trust** With changes in estate taxes in recent years, many may find they can now leave more to loved ones free of tax. This may also make it possible to give more for charitable purposes, both now and as a part of your long-range financial plans. After providing for your loved ones, you can include a charitable gift of a specific amount, a percentage of your estate, a certain property, or “what’s left” after first providing for loved ones.

**Have you made provisions for Good Shepherd Manor in your Will? Let us know!**  
**Contact Amy Carmack, Director of Development at (815) 472-3700 ext. 332 or email [acarmack@goodshepherdmanor.org](mailto:acarmack@goodshepherdmanor.org). Thank you!**

The information in this publication is general in nature and is not intended as legal, accounting, or other professional advice. For assistance in planning charitable gifts with tax and other financial implications, the services of appropriate advisors should be obtained.

### COLD & FLU GUIDELINES

#### EVERYTHING YOU WANTED TO KNOW ABOUT RESPIRATORY INFLUENZA

- Influenza viruses are spread primarily through coughing and sneezing by infected persons.
- The incubation period (time frame from when you have been exposed, to when you develop symptoms) is 1 - 4 days, with an average of 2 days.
- Persons can be infectious 24 hours **BEFORE** symptoms even begin until 5 days after the onset of illness. (However, children can be infectious for a longer period.)
- Characteristics of uncomplicated influenza:
  - o Abrupt onset of respiratory symptoms, along with fever, muscle aches, headache, severe malaise (general “not feeling well”), non-productive cough, sore throat, & runny nose.
  - o Influenza typically resolves after several days, although cough and malaise can persist greater than two weeks.

#### THREE “C” s of Respiratory Etiquette

Always, but especially during cold & flu season

**C COVER your cough or sneeze!**

**C CONTAIN your germs!**

\*cough or sneeze into a tissue or the crook of your elbow!

**C CLEAN your hands, and surfaces in your area **FREQUENTLY** during the day!**

### Visitor Policy

## Day Program Services

by Frank Lamie, Director

Season Greetings!

As we prepare for this holiday season, the mood is festive in the Day Program. The men are looking forward to the many special events that we have planned for December and, along with the staff, are working hard to decorate the halls and classrooms for the Christmas party. Christmas cards to send to family and friends are being made and the chorus and signers are busy preparing for the Christmas program.

The men are also working diligently in the vocational department. We are fortunate to have two new contracts from Merisant, which will keep the "Sugar Shack" open through the winter months. We also have plans to resume the ceramic classes this winter. In addition, we will offer weekly art classes for the men who would like to participate.

The Holidays bring out the good in many people, and our men are no exception. The men continue to display the giving spirit by volunteering in the community. During the holiday season the chorus and signers will perform for area adult centers. The men will also continue to volunteer at the Veterans home. And recently, one of our newer residents, Fred Ouelette, has started volunteering at the local humane society. It really makes the men feel good to help others in need. Our special thanks to everyone that continue to support the Manor.

## Super Bowl Champion Ted Petersen Visits GSM

Former pro football player and Momence native, Ted Petersen visited the Manor on November 30 to see resident Jim Jaster. Ted remembers working side by side with Jim baling hay for a local farmer in the 70's.

Ted stated that he has thought of Jim many times over the years and was glad he had the opportunity to visit.

Returning to the area in 2008, Ted now serves as the Athletic Director at Kankakee Community College.

Thanks for reconnecting with GSM!
