Dear Families and Friends,

HAPPY ANNIVERSARY! We are excited to celebrate our 45th anniversary and begin our 46th year of serving the men of the Manor.

> Good Shepherd Manor seeks to promote the welfare and dignity of all mankind by showing that all persons, including those with intellectual and developmental disabilities, are made in the image and likeness of God.

The excerpt above from our Mission Statement was true 45 years ago and remains a guiding principal today.

In 1971 all the men lived in one building licensed for Shelter Care. Today, the men who call Good Shepherd Manor home have the options of living in a group home in town or on campus, a smaller home or a 16-bed home and they can choose to have a private or semi-private room. While community activities have always been a daily occurrence, we have placed an increased emphasis on the men participating in menu planning and grocery shopping for their homes. We have also changed the planning process to reflect the men's own personal desires and goals – "Person-Centered." Our services continuously evolve with the goal of helping the men become more independent and self-reliant. In this way, we live our Mission daily.

We mourned the loss of resident Greg Morey. Greg was a wonderful person who loved a good party, dancing and life in general. He will be remembered with a plaque that is hung in the Chapel. We welcome Steve Bakkom who came to Good Shepherd last September. Finally, I would like to welcome our new Residential Director, Kristen Stockle, to Good Shepherd Manor. Please see page five for more information about her.

The State continues to operate without a budget. Fortunately, due to a court order the State is paying Good Shepherd Manor and other community providers of services for persons with intellectual and developmental disabilities. There are still many uncertainties regarding what will happen when or if a budget for this fiscal year is passed and whether our services will be funded at the present level or funded with cutbacks as originally proposed.

Despite these difficulties and uncertainties, our focus remains on providing excellent services and quality care for the men. I encourage you to read the Annual Report included in this Messenger and the Program Service Data for a summary of our service outcomes.

Infirmary/Nursing Services

by Janis Land, Director of Nursing

Greetings from the Infirmary!

Administering medications to our residents is one of the many functions of training and oversight provided by the Infirmary. In 2015, the men took an average of 1,895 different medications per day. Oversight was given for approximately 691,675 medications last year.

Staff at Good Shepherd Manor oversee medications for the men according to strict rules governed by the Department of Human Services, known as Rule 116. Upon hire, staff who work with areas that require medication oversight must attend DSP training and medication administration training. After attending classes and passing a written test that is authored by the Department of Human Services, staff are then observed by an RN Trainer for safety and competency before they are allowed to oversee medication administration on their own. Training is ongoing specific to the individuals and medication.

Section 116.10 Purpose
The purpose of this Part is to ensure the safety of individuals in programs funded by the Department of Human Services (DHS) by regulating the storage, distribution, and administration of medications in specific settings; training of non-licensed staff in the administration of medications. This applies exclusively to all programs for individuals with a developmental disability in settings of 16 persons or fewer that are funded or licensed by the DHS and that distribute or administer medications and all intermediate care facilities for the developmentally disabled with 16 beds or fewer that are licensed by the Illinois Department of Public Health.

WELCOME TO CINDY ARSENEAU, RN

Cynthia Arseneau, RN, has been a nurse for 13 years. She started working in the infirmary June 26, 2015. Cindy was born in Kankakee, left the area in 1991 and returned in 2000. She is married (Todd) and has two beautiful daughters, Morissa and Zoe. Her family also includes her dog, Luke, and two cats, Millie and Danny. She loves arts and crafts, going on walks with the dog, and cooking.

When asked what she likes about Good Shepherd Manor, she had many responses:

- The total honesty of the guys here – if you look good, they will tell you, if you don't, they will ask what is wrong
- They guys notice little things, like, "you have new shoes"
- They ask about how my family is doing
- I feel appreciated by the guys and the staff
- I like the camaraderie in the infirmary; we can always count on each other
- The campus is beautiful
- This is the first job that I have ever felt like me being here makes a difference!

Cindy doesn't hesitate to jump in when and where needed. Thank you, Cindy, for joining our team!

Day Program

by Dr. Lyell Stark, Day Program Director

Greetings from the GSM Day Program,

The new year has been busy and challenging. We recently had our Resident Council Induction Ceremony. After the induction of the new officers the men enjoyed a special canteen in the lunchroom. It was a very nice time and a great way to start the new year. The men elected Joe Beck for President. Vice President is Kevin Conley, Secretary is Gregory Zurek, Members-at-Large include Donald Flaska and Kyle Hiser. Alternates are Roger Owens and Steven Kalafut. This is a very strong Council and all residents are excited to see what future events unfold during 2016.

During the month of February the men had fun watching different sporting events, particularly the Super Bowl. Other activities included a Valentine's Day Party, Black History Month, and special lunch, as well as learning about President's Day. In March the men will celebrate St. Patrick's Day.

I know everyone is anxious for warmer weather to arrive. We hope to begin getting outside and enjoying the return of the birds and the new life Spring will bring to our butterfly garden. The men and the Day Program staff will definitely welcome the opportunity to get outside to curb cabin fever.

Our men continue to make contributions in the community through work and volunteer activities. The residents really enjoy working at the Presbyterian church food pantry across the street from the Manor. The men have also started to work at a new Salvation Army thrift store that opened in Bradley, IL. There are many other community opportunities that the men are involved in, and we thank those community members who help and support our residents.

In closing, I would like to thank everyone for their support and would ask for your continued prayers and blessings as we work to help the residents live productive fruitful lives.

God bless,

Dr. Lyell C. Stark

2016 Resident Council

Residential

by Kristen Stockle, Residential Director

We Welcome the New Residential Director!

First, I would like to thank everyone for a warm welcome to Good Shepherd Manor! In my new role as Residential Director, there is much to learn and many people to meet. The residents, staff and families have been gracious in helping me get settled in at Good Shepherd Manor. I have had the opportunity to spend a good deal of time in the homes, working with the men and staff and learning about all the wonderful work taking place here each day.

I have worked in the field of disability services for 25 years, at many levels of service. As a young person, I worked in a residential summer camp setting, providing direct support services to children and young adults living with significant developmental, medical and physical challenges. I also worked as a care worker in group homes in the south suburbs on the 2nd and 3rd shifts, serving adults with developmental disabilities. Following that experience, I became a QIDP/Residential Services Director, coordinating services for adults with developmental disabilities in a 16-bed ICF/DD setting. In that role, I also had the opportunity to gain experience in management, training, and administrative responsibilities. I became a licensed nursing home administrator in 1998, transitioning into that role in an ICF/DD setting while also maintaining QIDP responsibilities for individuals residing in both ICF and CILA settings. That experience allowed me to build upon training, administrative and clinical skills. In my most recent employment, prior to coming to Good Shepherd Manor, I served as the Director/Administrator on a campus setting where my responsibilities included operational responsibility for ICF/DD facilities and a Developmental Training Center, serving individuals living with developmental disabilities and significant medical and mobility challenges. In that role, I was responsible for all operational tasks, regulatory compliance, budget development, personnel management & training and community outreach.

I am very excited for the opportunity to work with each of you in carrying out the mission of providing a high quality life and compassionate care to the men of Good Shepherd Manor. I look forward to continuing to meet each of you and hear about how you connected with Good Shepherd Manor.

Warm regards,

Kristen

Residential News

by Kristen Stockle, Residential Director

The men of the Residential Program have been quite busy since the last edition of Messenger! All of the homes were nicely decorated with lights, trees, and festive touches for the holiday season. Many of the men participated in decorating and making holiday-themed crafts, which included making lovely gingerbread houses at Brown House. The men enjoyed delicious holiday meals prepared by staff and many men were fortunate to spend time with their families. Several of the homes were visited over the holidays by carolers and the New Horizons band performed at the Manor in December.

Several men had the opportunity to watch the legendary Harlem Globetrotters perform in Bourbonnais in January. This was the first year the men of the Manor decorated a Christmas tree at the Kankakee County Museum's Gallery of Trees exhibit.

In Special Olympics news, many of the men competed at the Sectional level in bowling during October, with five men advancing to competition at the State level. Also in October, the volleyball teams went on an overnight trip to compete in Rockford, IL, with both teams placing 4th. In November, the basketball team played the Kankakee Soldiers and celebrated a victory. During December, the men who achieved the honor of competing in bowling at the State level went to Peoria, IL to compete, finishing in 2nd, 6th, and 7th places. The basketball team was active in December, with a game here at the Manor vs RVSRA and a tournament competition in Decatur, IL. The basketball team is currently practicing for District level competition. The enrollment period for bocce and swimming will begin soon with many men looking forward to those activities.

"House grocery shopping" is going well, with four houses now doing their grocery shopping in the community. The men look forward to these trips and do a great job with the shopping and putting away groceries. Some of the men are choosing to get their hair cut in the community as well. The men have responded exceptionally well to these new steps toward increased community integration, something that regulatory agencies have been paying close attention to in recent years. We continue to encourage and assist the men to participate fully as citizens and members of their community.

Webber House decked out for Christmas!

Manor Matters

Our Condolences to the family of **Marilyn Ryan**, 91, who passed away on August 30, 2015. Marilyn was the much-loved mother of long-time resident Bobby Ryan. Bobby preceded her in death in 2010. A Celebration of Life was held for Marilyn on September 3, 2015 at St. Cletus Parish. Surviving are GSM Board members Joan O'Brien and Gary Ryan, along with their siblings Nancy Ryan , Dr. Richard Ryan and families.

Our Condolences to the family of **John Broderick**, 80, of Flossmoor, IL who passed away on October 4, 2015. John was the father of longtime resident Patrick Broderick. A Funeral Mass was held at Infant Jesus of Prague of Flossmoor with burial in Calvary Cemetery, Evanston, IL. John was a former member of the GSM Board.

Our Condolences to the family of resident **Gregory E. Morey**, 60, who passed away on December 2, 2015. Services were held at Good Shepherd Manor on December 10, 2015. Greg came to live at the Manor on November 19, 1990.

We welcome a new resident to the Good Shepherd Manor family:

Steve Bakkom was admitted to the Zurek Home on 9/19/2015. Steve is friendly and "laid back," he enjoys movies, television and music. He loves spending time with his sister and going out into the community. Steve gets along with all of the residents in his home and in the day program. Steve treats everyone like family and is always kind and friendly when speaking with others. We are glad to add Steve to our Manor family.

Resident Council President Joe Beck on Induction Day

Kevin Conley and Stephen Kalafut enjoy the reception after the Resident Council Induction ceremony.

The Chicago Lighthouse Provides Free Training to Staff

How do you communicate with someone who has lost their hearing and sight? Staff at Good Shepherd Manor had the opportunity to learn from the best!

Joanne Rushing from Chicago Lighthouse generously offered to provide two comprehensive three-hour trainings on January 13 and 14 to cover material on working with individuals that are hearing and visually impaired. The same hands-on training was provided each day along with handouts.

The Chicago Lighthouse is a world-renowned social service organization serving the blind, visually impaired, disabled and Veteran communities with comprehensive vision care and support services.

These training sessions were coordinated by QIDP Shay Moredock at the suggestion of members of the Dujsik family who were familiar with the Chicago Lighthouse services. Jerry and Debbie Dujsik also attended the training on one of the days.

Our thanks to Shay and the Dujsiks for this terrific opportunity for our staff. Thanks also to the staff who strive daily to better serve the residents of Good Shepherd Manor.

Imagine $86,400 Per Day!

By Amy Carmack, Director of Development

Imagine there is a bank account that credits your account each morning with $86,400. It carries over no balance from day to day. Every evening the bank deletes whatever part of the balance you failed to use during the day. What would you do? Draw out every cent?

Each of us has such a bank. Its name is TIME. Every morning it credits you with 86,400 seconds. Every night it writes off as lost whatever you have failed to invest to a good purpose. It carries over no balance. It allows no over draft.

Each day it opens a new account for you. Each night it burns the remains of the day. If you fail to use the day's deposits, the loss is yours. There is no drawing against "tomorrow." You must live in the present on today's deposits.

So, my advice...invest your time wisely so as to get from it the utmost in health, happiness and success. One of my favorite quotes is attributed to Helen Keller, "True happiness is not attained in self-gratification but in fidelity to a worthy purpose."

Research has shown that spending money on ourselves does not significantly increase our sense of happiness or wellbeing. A Harvard Business School study suggests that giving to others is directly correlated with an increased sense of happiness. The Harvard researchers write: "Happier people give more and giving makes people happier, such that happiness and giving may operate in a positive feedback loop."

Those of us who know first-hand the work taking place on a daily basis at Good Shepherd Manor will tell you that caring for God's special people is truly a worthy purpose. Our staff members are able to provide these valuable services thanks to our donors and benefactors who believe in the work we do year-round, 24 hours a day.

Won't you consider investing your time and treasures in the Mission of Good Shepherd Manor? Attaining true happiness, the deep-in-the-soul kind, can just be a short phone call away!

The New Horizons Band kicked off the Christmas Holiday Season with a concert at Good Shepherd Manor.

Fall Festival a Success!

The 2015 Fall Festival opened to a morning of rain and soggy grounds...but it finally cleared! Again this year we were blessed with a large cadre of volunteers!

Pictured clockwise, top left: Marlene LaMotte “guards” Jim’s 1919 Fire Truck being exhibited at the Car Show; top right, L - R Tom Ryan and sons Kelly and Kevin Ryan who volunteered at the Silent Auction tent; at right are Ryan, Ron and RoseAnn Winkel, the dedicated Money Tree volunteers; bottom right, Gary Bettega, Vermel Lockett, John Combs and Rick Byrne, the very capable Car Show judges and below, David Beyer (L) is congratulated by GSM President Bruce Fitzpatrick upon winning the raffle grand prize!
